

Windstream Holdings, Inc. is recruiting now for virtual residential inside sales consultants. Are you ready to join a growing company? One that celebrates internal promotions and uncapped sales commissions? One that provides excellent Medical, Dental, Vision and 401K benefits? If the answer is yes, we expect to see your application! Whether you are career driven or financially motivated, you can go to the next level at Windstream.

Windstream is a technology company that provides Internet, Phone, Digital TV and Security solutions to consumers across the US and we are looking for coachable team members to support our growth. Every new Sales Consultant will receive comprehensive paid training where we will teach you everything you need to know about sales whether you are experienced or not.

The competitive base pay is simply “pay your bills” money but the uncapped commissions is the “real deal money!!” Our mission is to help you make as much money as you want to earn so that you can truly enjoy your company provided personal “PTO” days and guaranteed holidays carefree. The organizational point of contact is Mr. Angel Ramos and he may be reached at [angel.ramos@windstream.com](mailto:angel.ramos@windstream.com).

**Position Title:** Residential Inside Sales

**Location:** Fully remote.

**Salary:** Hourly plus Commission  
Our top salespeople earn north of \$80K

**Position Description:** The Residential Inside Sales Consultant works in a high-volume work from home, call center sales environment utilizing a proven advanced sales strategy. Our new Kinetic sales processing technology is simple, easy to use and helps capitalize on selling opportunities effectively and efficiently.

Interested customers will call Windstream in search of home solutions and our expert coaches will help you fulfill those requests and maximize your commission. We provide the opportunity for significant earning potential in addition to career pathing designed to match your skill set.

**Position Responsibilities:**

- Handle inbound calls in a work from home environment
- Deliver customized home solutions to new and existing customers
- Update customer accounts through computer-based systems
- Willingness to gain and maintain product and service knowledge
- Perform other duties as assigned

**Position Requirements:**

- Ability to speak clearly and articulate steps to non-technical customers
- Excellent verbal and written communication skills, telephone voice and telephone etiquette
- Possess strong organizational skills with the ability to multi-task, prioritize daily tasks and perform successfully in a fast-paced environment
- Project a positive, professional attitude along with a confident and outgoing
- High school diploma and 6 months experience
